

A Healthcare Home For All Generations

Our History

We are a leader in providing primary preventive healthcare services. We provide accessible, cost effective, high quality and comprehensive preventive healthcare services to all persons. More than 16,000 IRC residents, per year, trust us to satisfy their medical, dental and behavioral healthcare needs.

Your Healthcare Home

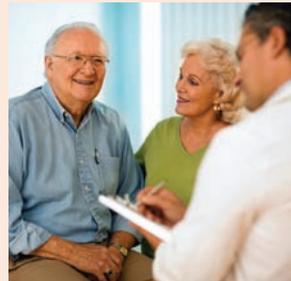

Our "healthcare home" model means you choose your doctor and have continuity of care. We are here to evaluate your total health and wellbeing with the goal of providing short term care for an immediate problem and carefully consider ways to keep you healthier over the longer term.

Primary Medical Care

Our scope of services are designed to treat your current medical issues and to keep you healthy over time. Our services include:

- General medicine
- Employment physicals
- Preventive and chronic care
- Health education
- Nutritional counseling
- Adult health screening

Women's Health Services

We are sensitive to your needs. We have a wonderful team of male, and female, physicians; the choice is yours! Our clinical staff are experienced in:

- Preconception care
- Gynecological exams
- Prenatal and postnatal care
- Mammogram referrals
- Family planning
- Surgical procedures

Dental Care

Our large but personal dental practice provides timely care for adults and children. Our services include:

- Routine dental care
- Preventive dental care
- Sealant application
- Extractions
- Restorations
- Minor oral surgery
- Partials and dentures

Pediatrics

Pediatric services are provided in most clinics, including a dedicated pediatric office in Sebastian. Our services include:

- Newborn care
- Well-baby examinations
- Childhood immunizations
- School, sports and daycare physicals
- Nutritional counseling

On-site Pharmacy

Our on-site pharmacies will make your life a bit easier. If you are a patient, see your physician and pick up your prescriptions at the same time. Our pharmacies are open to the public and you do not have to be a patient. We buy at extraordinary pricing and, as a not-for-profit, pass the savings along.

Counseling and Behavioral Health

Psychiatrists and licensed mental health practitioners are here to support you through life's transitions. We provide timely and compassionate care for:

- Individual therapy
- Family counseling
- Crisis stabilization
- Chemical detoxification

Give the Gift of Health

Every day in Indian River County people are making choices between filling a prescription, or eating for the day. There are expectant mothers, many of them, who can't afford prenatal care and have few choices. Please **Give the Gift of Health**. Please use my donation to provide:

- Pre/postnatal care
- Mammograms
- Prescriptions
- General primary care
- Dental care

Healthcare Payment Options

Overview

We realize sorting through the particulars of insurance coverage and payments can be a challenge. Our Health Navigators are experts dedicated to making the confusing clear, and helping you receive the full benefits to which you are entitled.

We accept...

Most insurance plans including, but not limited to:

- Medicare
- Medicaid
- Florida Healthy Kids
- Blue Cross Blue Shield
- Well Care

Sliding Scale Fee

If you only have Medicare, or no healthcare insurance at all, you may qualify for our Sliding Fee Scale (SFS) program. Eligibility is determined by the Federal Poverty Guidelines. The SFS could make the services we provide even more affordable.

TCCH is a Federally Qualified Health Center (FQHC) and we receive approximately 23% of our annual budget from the federal government. Over 65% of our budget is generated from patient fees.
