

# CARE FOR ALL.

## YOUR PATIENT-CENTERED MEDICAL HOME

Livingston Community Health is committed to providing high quality healthcare and improving the overall patient experience. Our organization's Livingston site has been awarded recognition by the National Committee for Quality Assurance's Patient-Centered Medical Home 2011 program. The NCQA Patient-Centered Medical Home 2011 standards emphasize the use of systematic, patient-centered, coordinated care that supports access, communication and patient involvement. We aim to continue to facilitate personal partnerships with our patients in order to provide comprehensive, progressive primary care.
